This week, one crew of three. Free checks do not use a slot.

Weeks at 80% or more: **3 in a row**. The plan's rule says hire the second crew for December and open Kukatpally.

Thursday is over because Spice Route moved from Wednesday after lunch service. Fix: move the HKC oil test to Friday.

Move HKC oil test to Fri

A card on this board is the same visit the restaurant sees in its app and the Supervisor sees on his phone. Moving it here moves it there.
